"Sharing God's message of hope in action"

HEARTS ON FIRE BIBLE SCHOOL UPDATE - PERU

Recently, I was talking to Hector who oversees our mission work in Peru. At that time, he was preparing to give the students at the Bible School in Marques their first trimester exams. We're so excited to see this dream becoming even more of a reality as

the school finishes it's first ever trimester of classes. **Praise God!** **Forty three students have completed the requirements needed to move on to the next set of courses in the second trimester.**

God is so faithful, He plants His vision and plan in our hearts and then brings others along to join in to fulfill His plan. Many of you have helped along the way with your prayers and your giving. Praise God with us over the completion of the first trimester, this is just the beginning. **Who knows how many lives will be touched through these students as they continue to study God's word and then GO minister to the lost, hurting people of the world.**

Thank you so much for your prayers and support!

A NOTE FROM THE FIELD - HECTOR DEL CARPIO

There's praise in my heart for what God is doing through the Hearts on Fire Bible School in the lives of the brothers and sisters who are a part of it. God is improving their personal lives and their ministries. The revelation of who God is and what He desires for us and from us is helping the students develop a deeper relationship with Him. Sometimes, when I visit the school during class times we have times of prayer. During these times of prayer you can sense the awesome presence of the Lord through His Holy Spirit and you can feel the fresh anointing of renewal come upon the students.

The Bible School is a great dream come true that will help the students become more dedicated children of God and help them develop their ministries to Glorify God in an area of Lima where there was little opportunity to study before. Without the school the students would have to ride the bus for 2 hours to get to the central part of Lima where the majority of Bible schools are.

We thank God for all of you who make this possible for the poor people of the north part of Lima. Thank you for your prayers and support to this ministry. May God bless you richly!

Hector Del Carpio

BIBLE SCHOOL - STUDENT TESTIMONIES

Dear Servants of God,

Since I started to study in the Bible school I have obtained new knowledge that will help me with my ministry in the church that I Pastor. I send my greetings with all my heart to all of you who help us because this work is of great value to prepare and train ourselves to serve God.

God bless you, **Pastor Panfilo**

Pastor Panfilo is a very humble man of God, full of love and compassion. He's been a pastor for many years in the Callao area and is studying at the school to increase his knowledge of God's word and to be more effective in ministry.

The teachings we're receiving here in the Hearts on Fire Bible School are wonderful and are a blessing from God because it gives us more understanding of His word and we are becoming more spiritual. **It is a miracle of God that I am studying here because my parents weren't able to provide for me when I was a little girl to study in**

school, so I don't know how I am able to read my Bible or how I learned to write. **Romelia Sandoval**

Romelia is one of the most precious women of God you will ever meet. She is a woman of prayer and I believe her prayers have played a big part in our work in Peru. She is finally having her chance to go to school.

Even though I am a mother and a wife I got interested in the Bible school, where I am receiving a lot of teaching and revelation that I didn't have before. This is helping me to have a better relationship with God and to spend more time with God, hearing His voice. Also, my family life is improving! So I am knowing God more through the Bible School and He

is working more in my life. Even with the different trials in my life, God continues to encourage me to continue because He has a plan for my life and that I am important to Him.

Rosa Sullon

Rosa is Romelia's daughter and attends the Bible School with her mother. They come with Rosa's baby daughter in hand who sleeps quietly while they study together. Rosa serves in her local church and desires to surrender her whole life in God's service.
